

Dear Manager,

I love shopping at your store. I tell all my friends and family all the great brands you carry. The only problem is that you do not carry my favorite brand of Snack Foods distributed by...

They **ARE** the Chicago Style Snack food company and I know I am not the only one who would love to have your Snack Food Aisle filled with Vitner's products. You can email them at [Vinnie@vitners.com](mailto:Vinnie@vitners.com) or contact 773-523-7900.

Thanks for listening to me,

Your Loyal Customer
